

ADVISORY- PRECAUTION FOR CLIENTS DEALING IN OPTIONS

Dear Client(s),

NSE vide circular NSE/INSP/52900 dt. 06.07.2022 has directed Trading Members to regularly caution and create awareness amongst clients/investors about Precautions for clients dealing in Options.

In view of the aforesaid circular, we are hereby advise you while dealing in derivative segment, kindly avoid the below practices like:

- Ø Sharing of trading credentials – login id & passwords including OTP's.
- Ø Trading in leveraged products like options without proper understanding, which could lead to losses.
- Ø Writing/ selling options or trading in option strategies based on tips, without basic knowledge & understanding of the product and its risks.
- Ø Dealing in unsolicited tips through Whatsapp, Telegram, YouTube, Facebook, SMS, calls, etc.
- Ø Trading in "Options" based on recommendations from unauthorised/unregistered investment advisors and influencers.

Investors are advised to take note of the above and exercise necessary Precautions while dealing in the derivative segment.
